

Curriculum Vitae

Name : **Dr. Md. Nazrul Islam Mondal**
Mailing Address : **Professor**
Department of Population Science
and Human Resource Development
University of Rajshahi, Rajshahi-6205; Bangladesh
Phone: +880-721-711121 (Office), Mobile: +88-01716922856
Fax: +880-721-750064
E-mail : nazrulupm@gmail.com
Web address : www.nazrul.birampur.com
Nationality : Bangladeshi
Date of Birth : January 9, 1972

Educational Attainment:

Post-Doctorate in 2008

Chiba Institute of Technology (CIT), Tsudanuma, Chiba; JAPAN

Ph. D in 2002

Faculty of Science, University of Rajshahi, Rajshahi 6205, Bangladesh

Diploma in Computer Science

NTRAMS, Bogra; **BANGLADESH**

M. Sc. in Applied Mathematics in 1993 (Held in 1997)

University of Rajshahi, Rajshahi-6205, **BANGLADESH**

B. Sc. (Honors) in Mathematics in 1992 (Held in 1995)

University of Rajshahi, Rajshahi-6205, **BANGLADESH**

Experience of teaching: 18 years

Current Main Research Field: Biostatistics, Health Policy

Fellowships and Awards:

- i. Visiting Scientist Fellowship**, Institute for Mathematical Research (INSPEM), University Putra Malaysia, **Malaysia**.
- ii. Visiting Researcher Fellowship** (Postdoctoral Fellowship), Matsumae International Foundation (MIF), **Japan**.
- iii.** A fellowship has been awarded by 'Administration and Finance Department SESRIC-OIC Ankara Centre' for the training course on "Technology and Innovation Policy" at Islamabad, Pakistan; sponsored by **COMSTECH, IDB**, and Higher Education **Pakistan**.
- iv.** Scholarship for **Ph.D.** Degree given by the University of Rajshahi, **Bangladesh**.
- v.** Scholarship for **B.Sc. (Honors)** Program given by the University of Rajshahi, **Bangladesh**.

Trainings Courses: **i.** A one week training course on "**Reproductive Health and HIV/AIDS**" at Comilla, Bangladesh; sponsored by Bangladesh Academy for Rural Development (BARD), Bangladesh.

ii. A one week training course on "**Technology and Innovation Policy**" at Islamabad, Pakistan; sponsored by COMSTECH, IDB, and Higher Education of Pakistan.

- iii. A three days workshop on ***“Mathematics Workshop-I: Calculus-I for Machine Learning”*** organized by Department of Statistics, University of Rajshahi and Higher Education Quality Enhancement Program, University Grant Commission, Bangladesh.
- iv. A two days workshop on ***“Probability Workshop-II: Probability Theory and Application in Machine Learning”*** organized by Department of Statistics, University of Rajshahi and Higher Education Quality Enhancement Program, University Grant Commission, Bangladesh.
- v. A two days training course on ***“Matrix Analysis and Their Applications in Statistical Learning Theory”*** organized by Department of Statistics, University of Rajshahi and Higher Education Quality Enhancement Program, University Grant Commission, Bangladesh.
- vi. A two days workshop on ***“International Workshop on Health Statistics”*** organized by Department of Statistics, University of Rajshahi and Higher Education Quality Enhancement Program, University Grant Commission, Bangladesh.

Research Experience: I have guided 15 M. Sc. Thesis students, 4 M. Phil students, and 3 Ph.D. students. Also 6 M. Phil. fellows are working under my supervision.

- Research Grants:**
- i. Faculty Research Grant in 2008 of the Faculty of Science, Rajshahi University, Bangladesh.
 - ii. Faculty Research Grant in 2009 of the Faculty of Science, Rajshahi University, Bangladesh.
 - iii. Faculty Research Grant in 2011 of the Faculty of Science, Rajshahi University, Bangladesh.
 - iv. University Grant Commission (UGC), Bangladesh Research Grant in 2012.

- Conference Presentation:**
- i. The research paper entitled “Sexual Behaviors and Sexually Transmitted Diseases in Street-based Female Sex Workers in Rajshahi City, Bangladesh” has presented to ***“The XXIX Annual Conference of IASP at Banaras Hindu University, India”*** in 2007.
 - ii. The research paper entitled “Some Selected Determinants of Hypertension in Bangladesh: A Case Study in Rajshahi District” has presented to ***“The International Conference on Statistical Data Mining for Bioinformatics, Health, Agriculture and Environment”*** at Rajshahi University, Bangladesh in 2012.
 - iii. The research paper entitled “Birth Process Modeling for the Estimation of HIV infection for Three Main Cities in Bangladesh” has presented to ***“The International Statistical Conference on Statistics in Planning and Development: Bangladesh Perspective”*** at Rajshahi University, Bangladesh in 2012.
 - iv. The research paper entitled “Birth Process Modeling for the Estimation of HIV infection for Three Main Cities in Bangladesh” has presented to ***“The National Seminar on Mathematics”*** at Khulna University, Bangladesh in 2013.
 - v. The research paper entitled ***“. Relative Importance of Factors on Life Expectancy in the Low and Lower Middle Income Countries.”*** has presented to “Initiatives in Science Education, Research and Capacity Building” at Bangladesh Academy of Sciences (BAS) arranged BAS-TWAS ROCASA.

Courses Taught in the Graduate and Postgraduate Programs: Mathematical Demography, Demography, Population Dynamics, Population Modeling, Introductory Mathematics and Statistics, Biostatistics, Research Methodology, Population Policies and Programs, Reproductive Health, and Epidemiology.

Computer Literacy: MATLAB, SPSS, STATA.

Language Proficiency: Languages: Standard of proficiency:

- i) Bangla Excellent
- ii) English Excellent
- iii) Arabic Good

Membership: i. Bangladesh Mathematical Society
 ii. Bangladesh Statistical Association
 iii. COMSTECH, Pakistan Alumni Association
 iv. Bangladesh Academy of Sciences

Reviewers: i. Journal of Scientific Research, Bangladesh
 ii. African Journal of AIDS Research

Country Partner: Erasmus Plus Fellowship program

Book Chapter

Title of the Book: Applied Demography and Public Health, N. Hoque et al. (Eds.) Series 3, DOI: 10.1007/978-94-007-61407. **Publisher:** Springer.

Chapter 15: Determinants of Blood Pressure Control in Hypertensive Diabetic Patients in Rajshahi District of Bangladesh.
